ADA Accommodations for Butcher Bird Studios

Studio Accessibility Overview:

Our studio is committed to providing an inclusive and accessible environment for all individuals. As a single-level building, we have implemented the following ADA accommodations to ensure equal access for everyone, including individuals with disabilities.

Entrance and Exits:

Accessible Entrances:

Main entrance to the studio is wheelchair accessible through a roll-up door.

Parking:

Designated accessible parking spaces are available upon request. Please allow 3 business days to accommodate requests.

Interior Accessibility:

Pathways:

Wide and unobstructed pathways that accommodate wheelchairs and mobility devices direct access to the main stage.

Reception and Service Counters:

Lowered sections at reception and service counters to accommodate individuals in wheelchairs.

Seating:

A variety of seating options available, including chairs with and without armrests.
Spaces designated for wheelchairs within common areas.

Communication:

Service Animals:

Service animals are welcome in all areas of the studio.
